12-18-70 10AM Mother called and stated she was sure there was foul play since her son had been missing from the church. She stated he had accepted the spirit of God and would not run off. She stated she felt he was lying somewhere with a knife in his ribs and the Police would do nothing. Office advised that since the boy had run off before possibly he had done so again and we would help in any way if she had some proof there had been foul play

12-24-70 12:10pm Mother called and stated that Brad YATES (brother Danny Yates, who is to be with her) had come over to their home to get something from James' room. He would not tell the mother what it was and went to look in the room by himself. Mother would not leave & ask him to go after he continued to stay. Mother suspects Brad of knowing something about her son's disappearance and also feels that the parents, Mr. & Mrs. Yates, may know something else. Mother requested that Mr. Yates be contacted and questioned about a statement he had made to Mr. Glass. He had told Mr. Glass that he believed the boys to be in San Antonio with 2 older men selling dope. I, P. Lawson, tried to contact Mr. Yates this date and there was no answer. Mother also said that Kim Carger, friend of James (the subject), had told her that her son on several occasions had taken LSD. She felt that Kim Carger should be contacted and questioned. He lives in an apartment on Sherwood and works at Denny's on Katy Rd. (4-11 weekdays) where James worked. Kim Carger's home phone is 467-5283 and the number at work is 467-6677. Mr. Yates' number is H 07-1825. Also Mother again stated she felt there was foul play involved..

He also stated that he & his wife feel Brad Yates went through his son's room the same day he had been to their residence & looked in the room with his wife standing there, but had returned when there was no one home & gone through the room completely. Stated they did not notice anything missing. Stated again that they feel Brad knows more than he is telling.

Also stated that he believes a Palmer & a Monte, last names unknown, know something about his son's disappearance & location & that these boys are supposed to be involved in narcotics. Heard

12-31-70: This officer talked with Mr. and Mrs. Glass for some time they stated that Mrs. Yates knows the telephone number of a boy named Monte who may know something regarding their son, but Mrs. Yates refused to give the number to them. Officer tried to contact Mrs. Yates, but no one at home. Mr. Glass advised officer that he is also an officer with the Sheriff's office and he is of opinion that this should no longer be a runaway report, but be made a ~~mayor~~ report of Foul Play as he fears his son has been murdered or dropped where he can't contact them. This officer inquired if they knew any further contacts that could be made and the only one is as listed to contact Mrs. Yates regarding Monte. Ernest

Officer Gordon recieved information from the mother of the above subject that she had talked to Mr. Jones, Asst. Principal at Spring Woods, who stated that he had talked to Monte Gardner, a friend of her sons, and requested that we contact him.

I contacted Mr. Jones, who stated that he had talked to Monte Gardner, and that he was very co-operative about discussing this with him. Mr. Jones stated that Monte indicated to him that this was a planned runaway by the two boys, and that they had asked him to go along with them. Monte told Mr. Jones that ~~he~~ they had told him that they were going to San Antonio Mexico, or possibly El Paso, and that Danny Yates had contacts in San Antonio where they might be able to get along for food and a place to stay but that he did not know them. Mr. Jones stated that he discussed this with Monte Gardner at some length, and feels that he has told all that he knows about this case, and indicated that he was willing to talk to officers. Mr. Jones stated that Monte indicated to him that Jim Glass had run off because of home conditions, that the home was filthy, and he did not like living in the surroundings... GORDON

CHARLES CARY COBBLE WM 17

7-27-73 2:15PM Officer contacted Mr. G.T. Cobble to check if he had new information...he does not.

He advised this officer that the subj was last seen on 7-25-73 at 9PM talking with WILLIE FLORES GARZA (LAM)(19-21) about 6', 250 pounds. Marty Ray Jones was also there. This was around the apartments.

Then on 7-26-73 at about 10AM the subj called his father, crying and sounded very scared and said that he was in really serious trouble and that he needed \$1000 right away. Reportee has talked with Marty's father and also at this same time, Marty called his father and told him the same story and asked for \$1000 (even though Marty KNOWS that his father could not possibly come up with \$1000). The boys were to call back later and advise where to meet them with the money....but they have never called back.

Reportee states that after giving it all consideration he feels that there are narcotics involved. He said that WILLIE FLORES GARZA (LAM)(19-21) used to live at the apts at 304 W. 27th but that he just "skipped out" about a week ago. The manager has been looking for him because he is a week behind on his rent....he took all his belongings, what little he had. The GARZA subj had once applied for work at the apts so the manager advised the reportee that he has a cousin, unknown name, living at 304 West 27th #4...he claims to know nothing of Willie Garza's whereabouts. Also Garza has a sister-in-law, Josephine "Peanut" unknown last name living at 233 Cortlandt but reportee could not find her at home. There is also a younger brother by the name of JOE GARZA who lives unknown address on W25

Willie Garza reportedly has parents living off Jensen and reportee found the name of Alfredo Garza at 2709 Mierianne but reportee called them and claim not to know Willie. Reportee states that it is "RUMORED" that WILLIE FLORES GARZA has been arrested for unknown reasons and also that he makes "frequent" trips to Mexico.

Reportee advises that he has had MUCH conversation with the Captain in Narcotics Division and with about five different detectives in Homicide and that at this time there is nothing that can be done. He advised that he is waiting for the subj to call again so something can be done..McMill

| The reportee called to report his son as missing. He said that he hitch hiked a ride, along with his friend John Lopez, with an unk. wm about 21, who was driving the above car. This man picked the two boys up in Austin and they rode with him to Houston. He let John out at San Felipe and Voss Road and the missing person has not been seen since he and the driver of the car drove off down Voss Rd. This was about 6PM Friday. He had called his girlfriend here in Houston during the week and told her that he would be in this weekend. When she did not hear from him, she called his parents and at this time, it was learned that he was missing. The father wanted to know what action could be taken, under these circumstances and he was advised to contact the Homicide Division if he felt that there was evidence of foul play.
9-28-70 12AM MISSING SUBJECT'S BROTHER AND LAWYER CAME TO THIS DIVISION TO GIVE ADDITION INFORMATION ON CLOTHING AND EXPRESSED FURTHER FEAR OF FOUL PLAY. 9-29-70, 8:50 AM - Received call from Det. Holmes, inquiring if we had contacted Lynn Kneupper this AM to see if he recognized the picture of this subject, which was in this morning's Post. Called 748-1300, employment verification, but they had no one employed by name of Lynn Kneupper. I then called and talked with Mrs. Hill, 2125 Raspberry, 473-7882, landlady of Lynn KNEUPPER (correct spelling). She said that subj. attends San Jacinto College, but she does not know where he works. Left word for KNEUPPER to call 3880 when he came in at his residence. Then again called employment verification 748-1300, and gave correct spelling of name, and found they do have employee named Douglas Lynn KNEUPPER, whose supervisor, ex. 282. Unable to get any answer at that extension. At 10:15 AM talked with Lynn KNEUPPER, and asked if he had seen this AM's Post and if this was the boy he had picked up - he said he had not, but would get a Post, an call back and let us know. However, in talking with KNEUPPER, learned that he had picked up the young man on Sunday, 9-27-70, approx. 8-9 AM on Interstate 10, somewhere near Voss, and took him out Interstate 45 South - to Pasadena exit 225 - and dropped him off there, as he said he was on his way to Galveston. KNEUPPER will check and call back to let us know. rr

9-29-70, 11:25 AM - Received call from Det. Holmes, giving me the following information which he received from the father. The boy who gave Lopez and Konen a ride from Austin to Houston came forward in Austin today, and he is Bruce LeGrand (WM) phone in Austin is 472-4007. He dropped off Lopez at San Felipe & Voss at 6:15 PM and then dropped off KONEN at Westheimer & Voss at 6:30 PM and last time he saw him, he was walking East on the East side of Westheimer and told LeGrand he was going to hitch a ride to his girl friend's house in West University. LeGrand said his father's office is 5215 S. Main, phone 524-7451, tried calling to talk with father of LeGrand, but there was no answer - criss-crossed out this address, and this is a Methodist Church. Also, Det. Holmes said that a Dr. Hildebrand, Physics Dept., U. of Houston said he was a young man hitchhiking on Buffalo Speedway near Bissonett, that might possibly have been the missing subject. rr

9-29-70, approx. 12 noon - received call from Mr. Konen, father of missing subject, 668-1808 rr

DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.

Homicide received a telephone call from the father of the complainant who stated that at about 2 P.M. a phone call was made to his home and the phone was answered by a boy Mike Hannan and a woman identified herself as Mrs. Harris. Mike Hannan asked the woman who she wanted to talk to and the woman told him she wanted to talk to his mother. Mrs. Konen got on one telephone and Mr. Konen got on another and the woman stated we have Jeffery and \$5000 will bring him back.

Mr. Konen came in on the line and asked the woman to let him talk to his son and the woman told him that he could't at that time and she hung up after telling them that she would call back in an hour.

Mr. Konen stated that he then called the FBI and talked to Agent Paul and told him about the phone call and Agent Paul instructed him to call the Police and give us the information.

I told Mr. Konen that at this time to wait for the promised phone call and see what the nature of the call was, if any instructions were given or what.

He was at a neighbors house at the time, 668-4323 and 668-0126, and I also instructed him to call the telephone business Office and see what the possibilities of getting an isolator put on the phone and how long it would take under the circumstances.

He stated that he would do that right away.

I called the FBI and talked to Agent Paul and he confirmed that he had talked to Mr. Konen.

Agent Paul said that the U.S. District Attorney had been contacted and he states that there is no indication that the compl. has been removed from the state and they have no jurisdiction on the case at this time.

FBI Agent Bill Johnson came to the Homicide Office and got a copy of the case and also talked to Mike Hannan, the boy that had received the call.

Mike Hannan was talked to and he stated that the caller was definitely a colored person and that she had at first asked for a Mrs. Harris instead of identifying herself as Mrs. Harris and had asked if they were looking for Jeffery before Mrs. & Mr. Konen got on the phone.

Agent Johnson stated that his office would keep in touch with us on this case and requested that if we get anything further to contact them.

DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.

10-2-70 3:35PM Mrs. John Gateby (Marina) called & stated that one of her friends named Betty called & said the missing boy had been found and that Father Blakensten at St. Vincent de Paul, MO 7 9111 knew about it. This friend Betty told Mrs. Gateby that subj. was home & had been since last night. Mrs. Gateby stated she goes to the Konen's everyday & would go and find out for herself. rr

10-2-70 4:30PM Mrs. Gateby called back & stated that the missing subj. had still not been located & that she didn't even mention it to the Konens. Stated the Betty friend that she thinks called her was the one she just recently met thru the Konens, & she didn't recognize her voice when she called earlier. Mrs. Gateby stated she knows another Betty but she knows her voice well & that wasn't the one. This call might have been a prank call. Mrs. Gateby resides at 3638 Grennoch, MO 8 8042...lgarcia

10-6-70 4:30PM Earl Mackey called this office & stated he was a friend of Jeffery Konen and wanted us to know the following: Stated that Jeffery was seen Friday, 9-25-70 from about 1PM to 4PM by the following people: Mgr. at Gleen Car Wash on Stella Link saw Jeff on 9-25-70 & told him he couldn't work because he was doing something that weekend. Jeff used to work here during the summer. Mgr. does not recall why Jeff told him that he couldn't work that weekend. Mackey said Mgr. didn't even know that Jeff was missing until today. Also Jeff was with some friend at the Jack in the Box, 665-5529 where Mackey's sister works. She definitely saw Jeff but would probably only identify the other subj. as she saw a picture. Mackey then stated that Jeff then could be accounted for from about 1PM-4PM on 9-25-70. Now it is not certain whether Jeff was at school at all on 9-2-570. (Mackey's sister-Mary Elizabeth Mackey) Earl Mackey does not have a home phone but the Southside Police Dept. MO 8 2341 can get in touch with him....lgarcia

10-12-70, 12:40 PM - Received call from Det. Sacky, Homicide, who inquired if subj. had been located, and if not, what new information we had. Advised that far as we knew the subject was still missing, and read him the information dated 10-2-70 and 10-6-70. rr

10-16-70, 2:00 PM - Talked with Mrs. Konen, and subj. is still missing - sent reply to ICR that subj. still missing. Mrs. Konen, is a very lovely person, talk with and seemed so appreciative of our checking with her on this case.

10-29-70 5:30PM Mrs. Konen called this office & advised the following: Some friends of missing subj, Jeff Konen, told Mrs. Konen that a group known as the CFR beat up some boys yesterday at Westheimer & Hillcroft. Boys beat up were motorcycles & the ones who beat them up were in a Pickup & Mrs. Konen did not have the license #. This CFR is a group who is set up to pick up those with long hair & cut their hair or make them into slaves. Mrs. Konen asked whether we knew of any such group & I told her that off hand I didn't but would check. Said she wonders now whether they'd made a slave out of Jeff.

I called Criminal Intelligence but they know nothing about this CFR group. lga
